

FAX-BACK DOOR LAYOUT

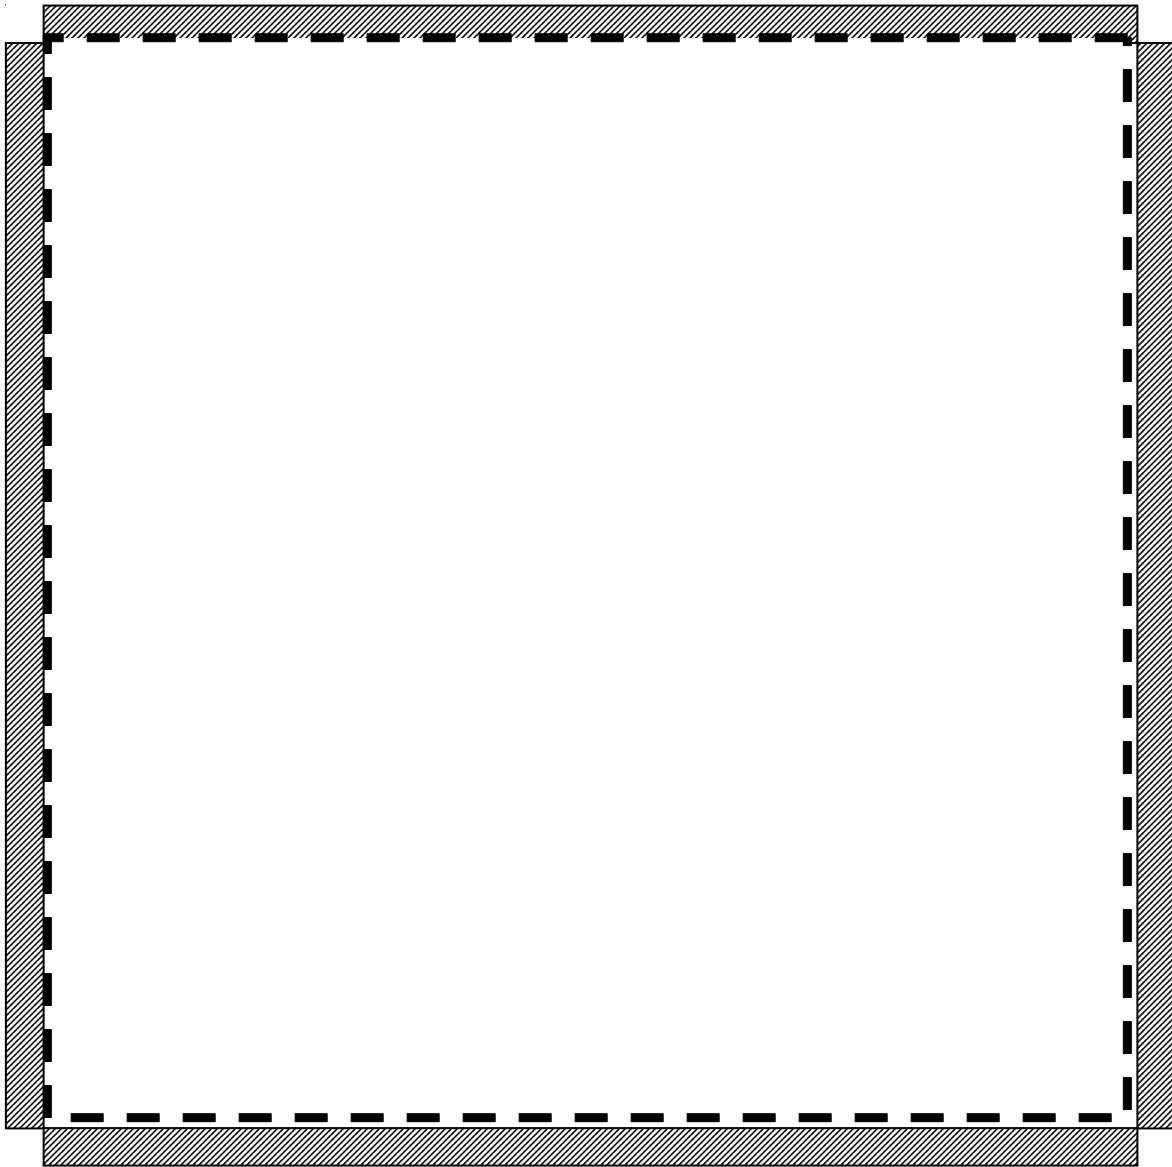

Company Name: _____.

Phone: _____

Contact Person: _____.

Project Name: _____

- 1/2" lip on the door forms downward, but location of holes in this area is permissible.

- Dimension features from nearest dotted line. Indicate measurement to center of feature (tool) selected. (Write number of tool if available)
- All dimensions are to the outside of the box. Ex: a box dimensioned 12"W x 12"H x 4" will measure that to the exterior of box.
- Box Chassis is shown in flat form.
