¹ The BW-50WHTR panel-heater works well with these small NEMA 3R units.

² These models are also available as Temperature Controlled NEMA 4 enclosures with AC units and heaters, or as NEMA 3R fan-cooled units.

² The BW-400WHTR heater/blower works well with these large NEMA 4 units.

NOTE: To keep NEMA Rating, installers must strictly follow OEM installation instructions and use [water-tight fittings](#) on all openings.
